

**EXPERIENCE AUTHENTIC THAI FLAVOURS WITH
EXCLUSIVE USE OF LONG CHIM RESTAURANT.**

Situated in the basement of the iconic State Buildings in the heart of Perth's CBD, the restaurant is housed in a characterful heritage cellar with brick archway features. Long Chim Perth is a triumph of contemporary Thai flavours, incorporating a 100 seat dining room with open plan kitchen, a large 100 guest outdoor courtyard and a 45 seat cocktail bar.

The famed high-walled, open-air courtyard is an iconic feature of Long Chim. A vibrant space for a lively celebration. The interiors feature exposed brick work distressed by theatrical set designers, digital projection within the courtyard, stenciled floors and open services into the ceiling spaces. Collaborative street art by renowned Thai-based artists Alex Face, Bon, Sath, Diamond One and Gong complete the design.

TESTIMONIAL

I want to say a huge thank you to both you and the Long Chim team for Friday! The food was amazing and the staff were incredibly efficient and so lovely to deal with. Please pass on my sincere thank you to Bella and the rest of the team. I've been doing these events for 8 years and Friday was by far the best we've had. Long Chim is such a great venue and the event was so well run, from my initial meeting with you until the end of service on the day of. Hopefully we are back in the future!
